Nov 7, 2020

Thomas Karsten

has successfully completed the online, non-credit Specialization

Leading: Human Resource Management and Leadership

In this specialisation, learners strengthen their capability to effectively lead your people and organisation in an increasingly competitive and complex work environment. This involves learning how to: Apply key principles of organisational leadership to develop and evaluate strategies for attracting, motivating and resourcing talent; Take a strategic perspective in designing and aligning competitive, sustainable organisations; Meeting the challenge of interruptive complexities through agile shifts between different leadership styles; Creating vision and meaning to drive change and influence.
